# California Department of Education <br> School Accountability Report Card <br> Reported Using Data from the 2014-15 School Year 

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC).The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

#### Abstract

About Our School

Laguna School is located in the beautiful ranch lands of western Petaluma. Built in 1906, Laguna School maintains the historic flavor of a one-room schoolhouse yet today offers a unique school experience in two refurbished multi-aged classrooms which serve students kindergarten through sixth grade.

The Laguna Joint School District is dedicated to providing a comprehensive education, encouraging all students to develop to their fullest potential so they may lead meaningful lives and become productive citizens of a diverse society.

## School Description and Mission Statement - Most Recent Year

While Laguna School appears to be a school right out of the history books, what is happening inside our doors is quite exciting. We provide our students with a well-balanced program, rich in technology, academic rigor, hands on science labs, art and music. Students in grades 3-6 have their own iPads, as well as a computer lab equipped with 3 iMacs and 6 Dell computers. The younger students have access to an iMac and three PC computers. Technology is integrated throughout the curriculum. We continue to balance high quality education with nurturing the whole child. It is truly a unique educational experience.

Laguna School was built in 1906 as a one-room schoolhouse. In the 1980's additional space was added, creating a spacious building which houses two multi-age classrooms. Each classroom has a grade appropriate library collection. A computer center with 12 computers and two printers in located in the upper grade classroom. The playground has a blacktop area for games, a sand area with playground equipment, bars, swings, a climbing structure and slide, and a small field for sports and activities. Three storage structures are located adjacent the play area. Laguna school has a completely fenced yard with gate access. Students are under constant supervision by a staff member at all times, in the classroom and on the school grounds.

Regular custodial and landscaping services are employed. The schoolhouse is inspected annually to ensure safety by the Keenan \& Associates Insurance Co. Many improvements to the school building were made in 2006. As mentioned, through the development of the Laguna LCAP, a goal was identified that more closely identified creating a calendar for maintenance for facilities as well as the resurfacing of the blacktop for the play area.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

| :---: | :---: | :---: | :---: |
|  | Four of Six Standards | Five of Six Standards | Six of Six Standards |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

## Opportunities for Parental Involvement - Most Recent Year

Laguna School stresses the philosophy of "Parents as Partners." We encourage and provide many opportunities for parents to become involved in their child's school. The Laguna Parent Club meets monthly with the Principal to discuss and plan school activities, events and curriculum. Parents are welcome to volunteer in the classroom assisting with art, physical Education, computers and school-wide projects. Parents may also chaperon on field trips.

Laguna School has identified a goal in their 2015-2016 LCAP specific to maintaining and increasing parent participation in school programs. This goal includes enhancing regular home-to-school communication, supporting an ESL class facilitated by West Marin Literacy Group and utilizing the Parent Club to actively assist in enlisting more parents/families to contribute to the school community.

Parents are encourage to contact Pam Brambila with any questions about how they may participate in their child's education and school activities.

## School Safety Plan - Most Recent Year

Laguna School employs a Comprehensive School Safety Plan which includes: Disaster procedures, child abuse reporting procedures, rules on student discipline, a sexual harassment policy, procedures for safe ingress and egress of pupils, policies regarding actions leading to suspension and expulsion and notification to teachers of dangerous pupils. Laguna School provides a safe environment for its students and staff. Monthly disaster drills are practiced. Disaster supplies are kept on the school grounds, which includes student "comfort bags" from home, blankets, water, flashlights, food and first aid supplies. Marin County Office of Education maintains an emergency radio system at the school site and the Marin County Fire Department closely monitors their local rural schools in emergency situations.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

## Adequate Yearly Progress Overall and by Criteria (School Year 2014-15)

Small schools and LEAs with fewer than 100 valid scores have adjusted Annual Measurable Objectives (AMOs) to account for the small number of test scores. These schools and LEAs met the adjusted percent proficient criteria using a confidence interval methodology. Small schools and LEAs with fewer than 50 valid API scores are exempt from the API requirement for AYP.
